

WHO WE ARE

Qsea Bedding is a Belgian based company specialized in the production and sale of large packages of **wood shavings, flax, hay** and **straw**.

WHAT WE OFFER

FLEXIBILITY

Number of layers can be stacked according to **customer's requirements**. There is no fixed palletization. In addition, wood shavings, flax, hay and straw can be **delivered in combination** and **quickly**.

FAVORABLE PRICE

Compact **packaging proportions** making transport price per package cheaper!

TRANSPORT

Transport can easily be **arranged by Qsea Bedding** or you can come and **collect** your products in **Oostende**.

SECURITY OF SUPPLY

Thanks to our partnerships, we can **always guarantee** your supply of wood shavings, flax, hay and straw.

... & FCA-certified!
